- Served as the district in charge of the Out of State Viksit Bharat Sankalp Yatra. Actively visited all other districts, and engaged with the public & karyakartas to raise awareness about central govt schemes.

- To successfully complete all these programs, meetings of the officers were held two or three times. It was suggested that all efforts should be made for the success of the programs, and the respective departments of the central government should strive to bring in a large number of beneficiaries.
- In total, to meet more than one lakh beneficiaries in the Viksit Bharat Sankalp Yatra, to address them, and to successfully convey the 10 years' achievements of our government, the hard work of my office staff was continuous. It is no exaggeration to say that credit should also go to my staff for making this event successful. They visited each program venue a day before me, coordinated with the officials, party leaders, and workers there
